Description

Hello, my name is Shan Favian Efendy. I am 18 years old and I attend SMK Negeri 2 Banjarmasin. I am enrolled in the Software Enginner. I take a role as an UI/UX Designer.

In addition to my studies, I actively serve as a UI/UX Designer, focusing on crafting intuitive, user-centered digital interfaces. By combining my technical background with a keen eye for design, I strive to build digital solutions that look great, run smoothly, and deliver seamless interactions for everyone..
